How to find INTERLABOR

Place of business and legal seat of INTERLABOR is Belp, near Bern, Switzerland. The suburb Belp is situated only a few kilometers in the south of Bern. From Bern you can reach us easily by car or by train. You may even prefer Bern-Belp's little, but international airport.

By train you travel to Bern main-Station. From Bern you travel by suburb train S3 or S33 (track 10 or 12), passing Wabern, Kehrsatz, Belp Steinbach to the station Belp. From station Belp (or Steinbach) you reach INTERLABOR on the company campus within 20 minutes.

Alternatively an INTERLABOR staff member will be pleased to pick you up for transfer directly at the station.

By car you drive on one of the highways ("Autobahn") to Bern and pass the town in southern direction on highway A6. Your way leads you along the exits Wankdorf, Ostring and Muri. You leave the highway at exit Rubigen/Belp. The map shows you the way by overland route from highway connection Rubigen/Belp crossing Rubigenstrasse or directly from Bern town crossing Steinbachstrasse to Belp.

The Bern-Belp airport offers international connections including Amsterdam, Brussels, Florence, Frankfurt, London, Munich, Vienna and Paris. After arrival at the airport you can reach INTERLABOR by Taxi or rental car in less than 10 minutes. Alternatively an INTERLABOR staff member will be pleased to pick you up for transfer directly at the gate.
